About Moses.

"Why did Moses write three commandments on one stone and seven on the other?" asked a Sunday-school teacher of a smart pupil who wears a Ryan hat.

"Because he wanted to make an even ten of them? That's why?"

Money expended in personal adornment by the purchase of becoming apparel is cash well spent. People of vulgar instincts are apt to neglect their personal appearance by wearing slovenly-made clothing. Messrs. Tann & Treat represent all that is desirable in the artistic make-up of woollens. The male form becomes wondrously attractive in one of their suits.

Fine juicy steaks, Schaffner's.

A BEAUTIFUL TABERNACLE.

The Handsome Church Interior in the Hoosier Commonwealth.

Those who have seen and those who will see the Central Christian Church since it has been decorated and refitted will unite in saying that it now presents the handsomest church interior in Indiana. There is nothing heavy or gaudy in this work, the tints being admirably chosen and blending together in perfect harmony. Mr. Albert Gall, who furnished these decorations and who has had the work done by the most skillful workmen under careful supervision, may well be congratulated.

Everything in season at Schaffner's.

Schaffner's is the best equipped restaurant in Indiana. Rates reasonable.

Angels Singing.

A touching incident is related of a little child whose mother was playing on a Hazelton Upright Piano, which she had purchased at Pearson's Music House, No. 19 North Pennsylvania street, imagined it heard angels singing in the piano, and the lady could with difficulty convince the little one that instead of angels singing it was the remarkable singing quality of tone characteristic of these celebrated instruments, which are fast winning their way into the hearts and hands of hundreds of our best families whose home circles are so many permanent centers of refined taste.

TO GENTLEMEN:

We desire again to call your attention to our Tailoring Department.

This Department was started about a year ago, and has made rapid strides in the favor of the best Dressed Men in this City and State. We started out with the idea that we would give our customers the best materials that we could procure, have them cut and made by the best workmen, and produce a suit at a profit which in all instances is confined simply to the material. We do this to enable us to buy largely and import directly from manufacturers. Try us once and you can not fail to be satisfied with the result. We carry an enormous stock of the best Suitings, and guarantee to give you as
